Practice Online Exam

This is a practice online exam designed to help you understand the online examination process. You will not be graded or receive credit for this exam. Please open a new window on your computer and type the answers to the following five questions. Please type your name on the top of the page.

Once you have finished typing the answers, save the document and upload it via the Exam upload/download option in your online services menu. You may need to login again.

Question 1: What is your last name?

Question 2: What color is the sky?

Question 3: What is your favorite animal?

Question 4: What is the name of the planet we live on?

Question 5: What is today's date?
